Welcome to Riskshield!

We provide ongoing on-site and remote support, assistance and training in all areas of AML, Compliance, Remediation and Risk Management.

After an initial no-obligation discussion, we will jointly craft a personalised plan and strategy for your business and agree on a budget.

We can scale our teams to meet the project goals using internal and external resources. Our core team consists of 5 highly experienced, qualified experts in offshore administration, CDD/EDD management, and general remediation solutions.

Please get in touch with us to discuss your business requirements today.

Thank you.

Regards,
The Riskshield Team
