

COMSURE PRICING 2026

How to engage Comsure and associated costs follow below: -

1. HOURLY ['ON THE CLOCK' CHARGEABLE RATE]

- a. Comsure's standard 'on the clock' chargeable rate (outside any pre-agreed project or retainer cost) is £310.00 an hour.

2. 40-HOUR RETAINER

- a. Alternatively, your instruction can be managed through a retainer.
- b. Comsure can offer a 40-hour [equivalent to 5 days @ 8 hours a day] retainer, like the project, but at a significant discount (15%), namely £263.50 [$£263.50 \times 40 = £10,540.00$]
- c. In engaging, Comsure asks for 50% of the retainer fee [£5,270.00] on account (engagement retainer) after signing the Comsure agreement and, after 20 hours, the remaining £5,270.00.
- d. After 40 hours, you can roll over the terms at the same rate¹, change retainer type, or close the relationship with Comsure.

3. PROJECT RETAINER

- a. Your instruction can be treated as a project, that is over 40 hours and can be discounted by a further 10% [£237.15 an hour], albeit not seen as a large annual project
- b. A project is deemed to have a support time that is expected to be Medium-term.
 - i. For shorter engagements, Comsure offer a 40-hour retainer [see above]
 - ii. For longer engagements, Comsure offer a Long-term project [see below]
- c. In engaging Comsure on these terms, Comsure asks for £3,794.40 on account (project engagement retainer) for a minimum of 16 hours [2 days at 8 hours a day].

¹ Subject to annual Cost of Living / Inflation increase

- d. After completing a project, it can be rolled over on the same terms² or renegotiated to the retainer arrangement (see below).

4. LONG-TERM/DEFINED PROJECT

- a. The fourth option is a long-term project based on a defined task(s) and/or a 12-month contract of over 10 hours a month, priced based on the nature of the requested work.
- b. Your instruction can be treated as a project, that is Long term and can be discounted by a further 10% [£213.44 an hour] £2,134.40, that equates to £25,612.20
- c. In engaging Comsure on these terms, Comsure asks for 2 months upfront (£4,268.80)
- d. 10 hours are added at the beginning of each month, and any additional hours each month will be billed at the end of each month.
- e. Where hours are not used in a month, they are non-refundable and they do not rollover.

² Subject to annual Cost of Living / Inflation increase
